On behalf of the workman/Union : None

Dated, Dhanbad, the 16th Aug., 2016**AWARD**

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Sec.10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-40012/146/2012-IR (DU) dt.18.03.2013.

SCHEDULE

“Whether the action of the Management of Bharat Sanchar Nigam Ltd., Patna in terminating the services of Shri Surendra Rai S/o Shri Hardeo Rai is legal and justified? To what relief the workman concerned is entitled to?”

None appeared either from the petitioner or someone else on behalf of the workman nor did file the long awaited W.S. pending on the part of the workman since 14.08.2013. The hearing proceedings stalled since then, for onus rests with workman for submission of the W.S. Though formal notices dt. 29.04.2013 & 29.04.2014 had already sent to the workman/petitioner on his address referred in the order of the Reference itself but the same fell flat. Against it, Mr.

Sushil Prasad, Ld. Advocate for the Management is present on date. The case relates to alleged termination of service from BSNL which was challenged by the workman seeking relief there under.

From the facts & circumstances & materials available on case record, it transpires that the workman seems to be in no urgency to file the W.S. even after sufficient opportunity was provided to the workman to come out with W.S. but he repeatedly proved failure. Though more than ten adjournments since hearings deferred over filing W.S., took place but the workman nor his Representative bothered to turn up. The gesture & inclination with which the workman walks, apparently points out reluctance on his part to go in for finality through adjudication. Usually, the case appears to have lost its merits, as of now due to sheer disinterestedness of the workman and needs closure in the natural interest of justice. Under such circumstances the case is closed; and accordingly, an order of 'No Dispute Award' is passed.

3. On receipt of the above reference, notice was sent to the workman union as well as the managements. Neither the postal article, referred above, was received back nor was it observed by the Tribunal that postal services remained affected in the period, referred above. Therefore, every presumption lies in favour of the fact that the above notice was served upon the workman union. Despite service of the notice, the workman union opted to abstain away from the proceedings. No claim statement was filed on their behalf. Thus, it is clear that the workman union is not interested in adjudication of the reference on merits.

4. Since the workman union has neither put in their appearance nor have they led any evidence so as to prove their cause against the management, as such, this Tribunal is left with no choice, except to pass a ‘No Dispute/Claim’ award. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

Reference under Section 10 of the Industrial Disputes Act (in short the Act) in the present case was received from the appropriate Government, viz. Ministry of Labour and employment, vide order No.L-42011/04/2015-IR(DU) dated 05.03.2015 for adjudication of the industrial dispute and the same is as under:

“Whether Shri Ashok Kumar, S/o late Nathu Singh is entitled to the status of Chaudhary in the pay scale of Rs.3050-4590 with effect from 17.07.1998 revised from the time alongwith all consequential benefits? If not, what directions are necessary in this respect?”

2. It is clear from perusal of the statement of claim that the workman, Shri Ashok Kumar, was initially posted as mali under South Shahdara Zone, and thereafter transferred to Central Zone of Horticulture.
3. It is specifically averred in para 3 of statement of claim that the workman was employed on muster roll as mali in 1983. He has been performing the work of Garden Chaudhary with effect from 17.07.1998 as per competent officer(s) of Horticulture Department and with initially posted under Deputy Director of Horticulture, Central Zone with effect from 01.01.2000. However, he has been denied pay scale of Chaudhary as revised from time to time. The workman has been performing duty of Chaudhary till date even after transfer from one Zone to the other. Name of the workman is also appearing in list Ex.WW1/3 at serial No.9 as per office documents prepared by the management.
4. There are averments that MCD has fixed pay scales of other employees, including malis, Chaudhary etc. and non-grant of proper pay scale of Chaudhary to the workman, Shri Ashok Kumar is ‘forced labour’ and thus amounts to unfair labour practice. In fact, the workman Shri Ashok Kumar has got payment in lower scale of Rs.2550-3200 revised from time to time and has been denied time scale of Garden Chaudhary Rs.3050-4590, which duty he performed since 21.03.1996.
5. It is also averred that Hon’ble High Court of Delhi in the matter of Jai Chand vs. MCD has directed payment of wages of Garden Chaudhary to those malis who are performing work of Garden Chaudhary vide its order dated 02.05.2003 and in compliance of the said order, management has issued office order No.ADC(Hort)/AO(Hort)/DA-VII/05/457 dated 04.03.2005. There is also reference to the judgement of Hon’ble High Court of Delhi in the case of MCD versus Sultan Singh and others dated 27.07.2011, wherein Hon’ble High Court under similar circumstances while considering question of payment of wages of Garden Chaudhary to those malis who are performing duties and functions of Garden Chaudhary, held that such malis be paid the difference in pay of mali and Garden Chaudhary. The said judgement was also challenged before the Hon’ble Supreme Court of India by filing S.L.P., which was dismissed as withdrawn by the management. Management is now duty bound to pay wages to the workman in the scale of Chaudhary with effect from 21.03.1996.
6. Management has demurred claim of the workman by taking preliminary objections, inter alia, present dispute is not an industrial dispute as it is not espoused by the union and no demand notice has been served upon the management, In para 3 of the preliminary objection, it is admitted that the workman herein was engaged on the post of mali hence cannot be regularized/promoted as Garden Chaudhary. There is prescribed procedure for promotion to the post of Garden Chaudhary and there must be sanctioned/vacant post of Garden Chaudhary to which the workman can lay claim when he has passed trade test conducted by the department. Claimant has not passed the said trade test nor is he performing duties of Garden Chaudhary. No such office order has been issued by the competent authority. Management, on merits, have denied material averments or was performing duties of Chaudhary at any point of time. Accordingly, it is prayed that claim of the workman herein is liable to be dismissed, being devoid of merits.

7. Against this factual background, my learned predecessor, on the basis of pleadings of the parties, vide a order dated 05.05.2016, following issues were framed:

- (i) Whether the claim petition is not maintainable/is not an industrial dispute as it has not been espoused by the union and also for want of demand notice?
- (ii) As in terms of reference.

8. Thereafter, none appeared on behalf of the management, hence was proceeded ex-parte on 04.08.2016. The workman, Shri Ashok Kumar, in support of his case, examined himself as WW1 and Shri B.K. Prasad as WW2, whose affidavits which is Ex.WW1/A and Ex.WW2/A respectively and also tendered in evidence document alongwith judgements. Since none was there on behalf of the management, opportunity cross examination could not be accorded to them to purify facts unfolded by Shri Ashok Kumar and Shri B.K. Prasad.

9. I have heard Shri B.K. Prasad, A/R for the claimant while none appeared on behalf of the management to advance arguments.

10. It is clear from circular dated 18.08.1989 that the workman Shri Shiv Kumar was working as mali and this fact is also duly established from the copy of office order Ex.WW1/3 wherein name of the workman Shri Shiv Kumar finds mention at serial No.9.

11. The only moot point which is required to be considered in the case in hand is whether the workman has been working on the post of Garden Chaudhary since 17.07.1998 and entitled to wages of Garden Chaudhary, as alleged in the statement of claim. In this regard, it is appropriate to refer the statement of claim wherein it is specifically alleged that the workman herein was employed on regular basis with effect from 06.01.1983. Workman in order to prove the above averments contained in the statement of claim examined himself as WW1 and tendered in evidence his affidavit, which is Ex.WW1/A, alongwith documents. Since none has appeared on behalf of the management, as such management was proceeded ex-parte by order of this Tribunal on 04.08.2016. It is clear from the recital contained in the affidavit that averments contained in the affidavit are on the same lines as those contained in the statement of claim.

12. Main grievance of the workman herein is that he has worked as Garden Chaudhary from 17.07.1998 as ordered by the competent authority of Horticulture Department and initially he was posted under the Deputy Director (Horticulture), South Shahdara Zone and later on he was transferred to Central Zone. It was urged on behalf of the claimant that since he was doing work of officiating Chaudhary, as such he was entitled to salary of Garden Chaudhary instead of mali. It is also clear from perusal of Ex.WW1/3, which contains names of malis who are doing work of malis in Horticulture Department and name of the workman is at serial No.9. There is no evidence led by the management to the contrary so as to show that the workman herein is not entitled for the salary of Garden Chaudhary. During the course of arguments, learned A/R for the claimant placed reliance upon the case of MCD vs. Sultan Singh and others bearing WP(C) 7947/2010 decided on 27.07.2011 wherein same question was involved. It was a case where workman was allotted duties of Garden Chaudhary though on substantive rank of Mali. Workman in the present case were claiming wages of Garden Chaudhary as he was performing duties of Garden Chaudhary. Industrial Adjudicator held that workman was entitled to salary of Garden Chaudhary and when the matter was taken to the Hon'ble High Court, it was held as under:

“28. Considering the entire facts and circumstances it is apparent that the claim of the respondents have always been that they should be paid the difference in pay of Mali/Chowkidar and the Garden Chaudhary as they were made to work on the post of Garden Chaudhary whereas the petitioner had first denied that they worked as Garden Chaudharies, then took the plea that the Assistant Director (Horticulture) was not competent to ask the respondents to work as Garden Chaudharies and that the respondents cannot be appointed to the post of Garden Chaudharies in accordance with the recruitment rules. There is no doubt that respondents are not claiming appointment to the post of Garden Chaudharies on account of having worked on ad-hoc basis on the post of Garden Chaudhary contrary to rules or that some of them not having the requisite qualifications are entitled for relaxation.

29. In the entirety of facts and circumstances therefore, the learned counsel for the petitioner has failed to make out any such grounds which will impel this Court to exercise its jurisdiction under Article 226 of the Constitution to set aside the orders of the Tribunal dated 29th January, 2010 and 7th October, 2010 as no illegality or un-sustainability or perversity in the orders of the Tribunal has been made out.

30. The writ petition is, therefore, dismissed. Parties are left to bear their own cost.”

13. Learned A/R for the claimant also urged that this judgement of the Hon'ble High was challenged before the Hon'ble Supreme Court by way of SLP, which was dismissed as withdrawn on 09.04.2012. Situation in the case in hand is in no way different from the above cited case. Situation in the case in hand is in no way different from the above cited case. In above case, workmen were initially appointed as Mali and later on they were performing duties of

Garden Chaudhary or Garden Supervisor. As such it was held that they are entitled to salary of Garden Chaudhary. There is another authority of the Hon'ble High Court of Delhi titled 'MCD vs. Satender Singh, which was decided by the Hon'ble High Court on 23.03.2012 wherein similar question was involved and a careful appraisal of the above judgement shows that direct reliance was placed upon judgement in. Sultan Singh and others (supra) and workman was held entitled to the salary of Garden Chaudhary.

14. Law is fairly settled that if a person is working on a higher post, on adhoc or temporary post, then such an employee is entitled to the salary/wages of such higher post unless rules or regulations provide otherwise. I find support to this view of mine from the case of Secretary vs. Lieutenant Governor Port Blair (1998 Lab.I.C. 598).

15. As a sequel to my discussion made hereinabove, it is held that the workman Shri Ashok Kumar was doing the work of Garden Supervisor since 17.07.1998 and from that date he is entitled to the wages of Garden Chaudhary and as a corollary, management is liable pay the difference of wages of mali vis-a-vis Garden Chaudhary from the date when the workman herein was performing duties and functions of Garden Chaudhary. An award is accordingly passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

The claim statement was filed under the provisions of sub section (2) of section 2 of the Act. The claimant, Shri Chaman Singh, projected that a period of 45 days stood expired from the date of his filing a claim statement/application before the Conciliation Officer. Sub section (2) of section 2A of the Act, empowers a claimant to raise his dispute before this Tribunal in case of discharge, dismissal, retrenchment or otherwise termination of his services, without a dispute being referred by the appropriate Govt. under sub section (1) of section 10 of the Act. In view of these facts, this deemed reference was entertained by this Tribunal.

2. It has been averred in the statement of claim that he was in continuous employment of the management since 01.01.2010 on the post of Head Security Guard and his last drawn wages were Rs.7500.00 per month. He was initially employed by Vigilante Security Placement and Detective Services Pvt. Ltd. and later on deployed with Lady Harding Medical College. The workman worked with diligence, sincerity and honesty and had uninterrupted, unblemished and meritorious service record. He neither gave chance of complaint to the management nor was he ever charge sheeted. The claimant was denied various legal facilities, like appointment letter, attendance card, attendance register, leave book, bonus, leave wages, earned leave, casual leave, minimum wages as notified by Govt. of NCT of Delhi from time to time. Wages from the month of May 2014 to 25.08.2014 have also not been paid to the claimant. Various demands were made by the claimant, but to no avail. Suddenly, on 26.08.2014, management refused to take him on duty illegally, arbitrarily, unjustifiably and without notice, notice pay or retrenchment compensation. Services of juniors were retained while he has been shunted out of the job. Demand notice was served on the management by registered post on 23.09.2014 calling upon them to reinstate him, but no reply has been received. The workman is unemployed from the date of his termination. Finally, a prayer has been made by the claimant to reinstate the him with full back wages and all consequential benefits.

3. Management No.1, Lady Harding Medical filed its reply, taking preliminary objections inter alia, of the management not being covered under the definition of 'industry' and non-existence of employer-employee relationship. It has been further averred that the Management No.1 has entered into a contract with M/s Vigilante Security Placement & Detective Services Pvt. Ltd., Management No.2 for outsourcing of security services, who had full control over their performance. The agency was to comply with Minimum Wages Act, CL(RA) Act, PF and ESI provisions, minimum wages etc. It has been specifically denied that the workman was working directly under their supervision and control. Since the claimant was appointed by M/s Vigilante Security Placement & Detective Services Pvt. Ltd., Management No.2, hence, the relevant records relating to wages, attendance, etc. are available with Management No.2. The claimants were never hired or terminated by Management No.1.

4. No reply was filed by Management No.2, M/s Vigilante Security Placement & Detective Services Pvt. Ltd.

5. In the meanwhile, an application was moved by Management No.1 for deletion of its name from the array of parties. Hence, the case was listed for reply and consideration of the application and for filing of written statement by Management No.2. However, it was observed that neither the claimant nor any authorized representative on his behalf appeared before this Tribunal to prosecute his case. Thus, it is apparent that the claimant is no more interested in progress of the case on merits.

6. Since the workman has abandoned the proceedings, as such, this Tribunal is left with no choice, except to pass a 'No Dispute' award. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.
